

CHURCHLANDS
SENIOR HIGH SCHOOL

Dear Parents / Guardians

Re: Churchlands SHS Tour for Year 5 and 6 parents

The decision on where to send your children to High School is not one that you will take lightly. In today's competitive environment which enables greater choice for parents, such a decision can be critical in ensuring a successful future for your child.

Options as to whether to go public or private, to support your local school or look wider afield, to specialise or go general, to seek academically orientated or vocationally orientated schools can take much thought and discussion amongst families.

Churchlands Senior High School firmly believes that the more information you have at your disposal the easier it is to reach such a decision. We also know that around 70% of you will choose Churchlands as your preferred school.

Therefore, I would like to invite you, as a parent of a Year **5 to 6** student at a school in our enrolment zone, to visit Churchlands SHS on the morning of **Friday 4 March 2016**.

This visit will provide a "warts and all" opportunity to view our school's facilities and the teaching and learning process during the morning.

The Principal Mr Hunt will make a brief presentation to you on the school's educational vision and values together with important processes and policies. He will also use this opportunity to outline the outstanding academic performance of our Year 12 exit students, which gets lost in publicised tables due to the sheer size of our student population. Mr Hunt will introduce key staff and provide you with the opportunity to ask questions. In small groups parents will then be taken on a tour of the school. We anticipate the tour will finish at approximately 11.00am

At the conclusion, a light morning tea will be served where follow up questions and conversations can be held with available staff.

Details are as follows:

Date: **4 March 2016**
Time: 9:20am
Venue: Churchlands Concert Hall – on Lucca Street

Parking: Parking around the school site is at a premium hence I suggest the following:-

- No parking on school grounds as bays are all marked for staff that may arrive at different times during the day.
- From 9:10am onwards the bus bays along Lucca Street become available.
- There is limited parking at the pool and along Memory Close
- Parking does exist in side streets adjacent to both sides of the school.

I look forward to meeting with you soon and please RSVP (9441 1700) to Administration for catering purposes.

Yours sincerely
