WORKSHOP 1: SPEECH DEVELOPMENT 1 - 4 YEARS OLD

This workshop will provide practical ways to support your child's speech development. Jasmine will clearly outline the speech developmental milestones appropriate for children aged between one and four and what to do if you are concerned these milestones are not being met.

RSVP: Email your name and contact number to: Christine.brown@education.wa.edu.au

**Presenter: Jasmine Martin from Bubbles Speech Pathology
Presented by the Churchlands Regional Schools Network**
