

NEWBOROUGH SCHOOL BANKING

JOIN DOLLARMITES

The CBA School Banking program is at Newborough Primary School to help our children develop strong financial literacy skills, plus earn some extra benefits for our school.

The Rewards Program is designed to encourage kids to get into the habit of making regular savings. Every time they make a deposit they receive a Dollarmite token which can be exchanged for really cool gifts.

It doesn't matter how much they deposit, it's the habit of regular saving that is most important.

HOW TO JOIN

You can join school banking by visiting any Commonwealth Bank branch OR you can do it online at www.commbank.com.au/banking/youth/saver.html. You'll need:

- An Australian address
- At least one form of personal identification for you and one for your child, such as an Australian birth certificate, passport, current driver's licence or Medicare card
- A Tax File Number (TFN) or TFN Exemption.

Did you know the CBA School Banking program is also a school fundraiser?

We receive a Regular Savers Contribution of \$5 for every 10 deposits per student as well as an Annual Contribution based on the number of kids who made at least one deposit in the previous year. So don't forget to nominate Newborough Primary School when you sign up.
