

Callan Rose

Hi, my name is Callan Rose and I would like to nominate as a parent representative on the Newborough Primary School Board. I have been on the Board for the past two years, and this year had the privilege of being elected Chair.

My wife and I have two daughters; Muse, who is just about to finish year 5, and Arcadia, who is finished pre-primary this year. As a working parent I'm looking for an opportunity to contribute to the

continued success of the school, not only for my own children, but also for the benefit all the children, families, staff and community that work together to make a good school a great school.

In a professional capacity I work at the University of Western Australia supporting staff to enhance their teaching and learning practices by adopting contemporary teaching approaches and effective use of technology. It is a dynamic and creative area and it's fair to say that I have a passion for education.

I hope that I get the opportunity to continue bringing my experience, expertise and passion to the Newborough Primary School Board.
