MAKE FRIENDS WHILE PLAYING AN AWESOME NEW SPORT!

See over for all the details or scan here to register.

**NEWBOROUGH NETBALL CLUB**

# PP & YEAR ONE INFO

## WELCOME TO NEWBOROUGH NETBALL

We are delighted your child is interested in playing netball. Netball is a fantastic sport for both boys and girls. It's good for overall fitness, team building, strength and balance, endurance, resilience and so much more!

At Newborough we run the nationally accredited netball program, NetSetGo (NSG) for children in years Pre-Primary to Year 5. NSG is divided into three categories:

**NET - Pre-Primary & Year 1 - this is a skills only program with no competition**

**SET** - Year 2 & 3 - training for skills development & competition against other schools / clubs

**GO** - Year 4 & 5 - training for skills development & competition against other schools / clubs

## NET PROGRAM

PP and Year One students have the opportunity of participating in a skills development session on Monday after school during Term Two at Newborough Primary School. The focus is on basic netball skills - throwing, catching, running, hopping, pivoting and team participation.

## COST

The program costs \$100 per student which includes Net Set Go registration, a NSG t-shirt and ball; and program support. Kidsport vouchers can be used to cover the fees for anyone with a healthcare or pensioner concession card.

## PARENT VOLUNTEERS

The Newborough Netball Club is a solely volunteer run Club which relies on parents, grandparents and friends for support. For this year's program to go ahead, a group of parent volunteers are required to run the sessions. The Club has plenty of resources, including sessions plans and equipment. Year 6 netballers are also allocated as an additional resource.
