

Colour Explosion Fun Run!

Sat 22nd Oct
1pm Rego 1:30pm

The Colour Explosion Fun Run is almost here! So much fun and excitement to be had on Saturday, we can't wait. We hope all Newborough students and families can come and join in the fun. Please read through this check list to ensure you are sorted for the day:

1. Have you made a profile page at www.myprofilepage.com.au? **All students need to make a profile page and raise some \$\$\$\$\$\$ to participate.** It's for our Nature Playground, send your link wide and far! **Highest fundraisers from each class will get the chance to slime some special people (Mr Worthy, Mr Stenhouse, Mrs Snelson to name a few!)**
2. **Colour Looks Better on White** – Get your white t-shirt for \$5 from the P&C selling Wednesday/Thursday/Friday mornings from 8:20-8:40 in the quad. Cash Only.
3. **Who from your family has put their hand up to help out on the day?** Check out ways you can assist and sign up at: volunteersignup.org/EYPYB We may also need extra parents on the day so please offer your assistance if you can, especially when you see it's time for pack-up 😊
4. Entry to the school will be via Wilding Street. Karrinyup Sport Centre and Mulberry Tree gates will not be open.
5. **Event rego starts at 1pm in the undercover area.** Rego desks will be sorted in year levels, so get your name ticked off, grab your awesome sunnies and headbands and you will be ready to run. If you are bringing older siblings no longer at Newborough or cousins, then they need to have their names recorded at the rego desk too, it's a \$10 entry fee on the day (cash would be great!).
6. **Fun run commences at 1:30pm,** students can head to the quad and find their year level bay (parents/older siblings are welcome to run with young kids). It will be a staggered start to avoid too much crowding on the obstacles. Remember it's not a race against the clock, just have fun with your friends! Do as many laps as you like.
7. Once everyone has had enough running and getting wet and slimey, then head to the main playground for music, ice cream truck and picnicking! Bring along some refreshments and settle in for the afternoon. **Don't forget some dry clothes for the kids, it gets chilly once that sun goes down.**
8. **Check out the Newborough P&C facebook page to keep updated** about the day and all P&C events. Information will also be sent via year level Whatsapp communication groups.
